**MINUTES OF MEETING**

**MINUTES OF THE MEETING OF THE MEMBERS OF ANTI-RAGGING COMMITTEE of NHITM held ON 11<sup>TH</sup> NOVEMBER 2022, WEDNESDAY, AT 3:00 P.M.**

The Meeting of the Anti-Ragging Committee for the Academic Year 2020-21 ( Odd-Semester), of New Horizon Institute of Technology and Management was conducted on 11<sup>th</sup> November 2022, Wednesday, at 3:00 P.M. in the Principals office. The meeting started at 3.00 p.m. by Dr. Prashant Deshmukh, Principal, who addressed all the members and then the meeting started by discussing the agenda. The attached attendance sheet indicates the members present for the meeting.

- The meeting started by presenting the minutes of the previous meeting to have connectivity of our objectives and functions.
- The trends in ragging were discussed, ragging helpline, an initiative by the government has been recently helping students. Many of the students even from rural areas reach, this helpline and this is helping to curb this issue
- In the later stage, with a growing number of students in the campus, anti-ragging squads could be appointed for enhanced vigilance.

The Committee further made the following recommendations on future-plans:

1. With the progress of the institution, and recent demographic changes in the institute, a new challenge could be faced. For maintaining the status quo, certain measures like appointment of squads, Anti-ragging helpline, email ids etc could be introduced. Anti-ragging helpline has already been implemented.
2. During lock down too we need to keep vigil
3. UGC Toll free Anti –Ragging Help line Number 1800-180-5522 and E-mail – helpline @ antiragging.net, and the Telephone numbers of University Anti–Ragging Committee, Anti–Ragging Squads, Monitoring Cell, Nodal Officers and Counselors could be displayed on the college Web-site.

Since there is no complaint of Ragging till date either from the students or from the Members of staff during the session, which reflects a ragging-free campus. The meeting ended with a vote of thanks and regard to all the members present.

**REPORT**

**Anti Ragging Committee First Half- Academic Year 2022-23**

**Introduction:** A meeting of the members of the Anti-Ragging Committee of New Horizon Institute of Technology and Management was held on 11<sup>th</sup> November 2022, Wednesday, At 3:00 P.M. in the Principal's office

The objective of the meeting was to maintain the status quo of a ragging free campus.

**Result of meeting:** The institute was established in the academic year 2014-15 as per the letter of approval issued by AICTE, State Government of Maharashtra, DTE and affiliated to University of Mumbai. Being in its fifth year of inception, and strict vigilance regarding the matter, no ragging incident has been reported in the institute. There was active participation of all the members and each one has unanimous agreement that we must be vigilant. Interaction with council members and student representatives must take place consistently to prevent ragging or any kind of bullying. The management and administration have created transparency through installation of CCTV surveillance system which covers most of the areas, which is a valuable monitoring source. Posters with helpline numbers have been affixed at various locations in the campus. In this COVID situation all lectures are being conducted in the online mode hence students are not reporting to the campus

**Conclusion:** In conclusion all the members decided that though our campus is a Ragging free campus, constant vigilance must be continued, as this issue of ragging is rampant in many of the institutes. In the virtual mode too we must look out for cases of cyber ragging if any. We must encourage students to come up for such complaints if any.

**Recommendations:** In view of the above we suggest that constant vigilance be maintained so that we set examples for other institutes of being a ragging free campus since inception.

## REPORT

### Anti Ragging Committee - Academic Year 2021-22

**Introduction:** A meeting of the members of the Anti-Ragging Committee of New Horizon Institute of Technology and Management was held on 11<sup>th</sup> August 2021, at 3:00 P.M. in virtual mode.

The meeting was chaired by the principal who is the head of the committee. The Attendance sheet of the meeting indicates the presence of the members. The objective of the meeting was to maintain the status quo of a ragging free campus, though still the students are not reporting to campus due to pandemic restrictions.

**Result of meeting:** The institute was established in the academic year 2014-15 as per the letter of approval issued by AICTE, State Government of Maharashtra, DTE and affiliated to University of Mumbai. Being in its fifth year of inception, and strict vigilance regarding the matter, no ragging incident has been reported in the institute. There was active participation of all the members and each one has unanimous agreement that we must be vigilant. Interaction with council members and student representatives must take place consistently to prevent ragging or any kind of bullying. The management and administration have created transparency through installation of CCTV surveillance system which covers most of the areas, which is a valuable monitoring source. Posters with helpline numbers have been affixed at various locations in the campus. In this COVID situation all lectures are being conducted in the online mode hence students are not reporting to the campus due to government directed pandemic restrictions.

**Conclusion:** In conclusion during the lockdown we continue to have a Ragging free atmosphere

**Recommendations:** To have a continued Ragging free campus even once students come back to the campus

## REPORT

### Anti Ragging Committee First Half- Academic Year 2019-20

**Introduction:** A meeting of the members of the Anti-Ragging Committee of New Horizon Institute of Technology and Management was held on 20<sup>th</sup> August 2019, Thursday, At 3:00 P.M. in the Board Room, second floor.

The meeting was chaired by the principal. The Attendance sheet of the meeting is attached, which indicates the presence of the members. The objective of the meeting was to maintain the status quo of a ragging free campus.

**Result of meeting:** The institute was established in the academic year 2014-15 as per the letter of approval issued by AICTE, State Government of Maharashtra, DTE and affiliated to University of Mumbai. Being in its fifth year of inception, and strict vigilance regarding the matter, no ragging incident has been reported in the institute. There was active participation of all the members and each one has unanimous agreement that we must be vigilant. Interaction with council members and student representatives must take place consistently to prevent ragging or any kind of bullying. The management and administration have created transparency through installation of CCTV surveillance system which covers most of the areas, which is a valuable monitoring source. Posters with helpline numbers have been affixed at various locations in the campus.

**Conclusion:** In conclusion all the members decided that though our campus is a Ragging free campus, constant vigilance must be continued, as this issue of ragging is rampant in many of the institutes. With the institute attaining almost full strength, and the demographic changes of a co-education institute, to maintain status quo efforts need to be taken. Hence, we must continuously create awareness regarding the same to maintain a ragging free campus. We must encourage students to come up for such complaints if any.

**Recommendations:** In view of the above we suggest that constant vigilance be maintained so that we set examples for other institutes of being a ragging free campus since inception.
