NEW HORIZON

INSTITUTE OF TECHNOLOGY & MANAGEMENT

KAVESAR, ANAND NAGAR, GHODBUNDER ROAD, THANE

ENGINEERING | RESEARCH | INNOVATION | INCUBATION

**NHITM ENGINEERING
ADMISSION 2020-21**

**APPROVED BY
AICTE**

**APPROVED BY
DTE**

**AFFILIATED TO
UNIVERSITY OF
MUMBAI**

DTE CODE 3471

THE NHITM EXPERIENCE

An Engineering College in the heart of Thane City

Sprawling Wi Fi enabled campus

Digital E-Learning Cloud platform for Twenty Four hours learning

Collaboration with Industries

Nodal centre for IIT Bombay Virtual Labs

Industry graded Engineering Programs

State of the art laboratories and smart classrooms

Library with over ten thousand titles

Exclusive Placement support

SIX ENGINEERING DEGREE PROGRAMS

COMPUTER ENGINEERING	60
CIVIL ENGINEERING	60
MECHATRONICS ENGINEERING	60
MECHANICAL ENGINEERING	60
ELECTRICAL ENGINEERING	30
ARTIFICIAL INTELLIGENCE AND DATA SCIENCE	30

FROM THE PRINCIPAL'S DESK

The aim of the institute is to facilitate a creative, innovative, professionally competent and research-oriented future engineers who would be able to face the challenges of cutting edge technologies and thereby forming a prosperous and sustainable global society. Students at NHITM are motivated to develop leadership qualities and a thorough understanding of technical skills.

DR. PRASHANT D. DESHMUKH

Vision

To create compassionate, humane visionaries and creative technical professionals, promoting and conserving our culture heritage as well as contributing to the global development leading the society to new horizons

Mission

- Dissemination of technical skills and to imbue moral, ethical, and socio-cultural value system that meets international standards and competition
- Engage, encourage, explore, experiment, innovate and invent, setting new benchmarks to promote sustainability and become global leaders in the field of engineering
- Provide opportunities to prosper and thrive in the community

THE NHITM STORY

New Horizon Institute of Technology and Management (NHITM) is the brain child of the visionary Founder Dr. Subir Kumar Banerjee who envisioned to lay the foundation of an acme of educational distinction; an institution to foster technical education par excellence for young minds ready to spread their wings and establish themselves in the technological sphere. With an idea of education from Kindergarten to Post-graduation under an unified educational assemblage, he laid the foundation of NHITM under the patronage of New Horizon Education Society, which was an already established and reputed academic institute conglomerate providing pre-primary, primary and secondary education to children from pre-nursery to class twelfth board in various parts of Mumbai and the suburbs.

In a sprawling campus with monumental design structure, greatly appealing to the Mumbai populace, green abundance, open spaces, cutting edge infrastructure, NHITM was created.

NHITM affiliated to the University of Mumbai is in its seventh year of its academic journey, with continuous promise to keep growing constantly with a clear vision, as excellence in academics is the hallmark of any good institution. Our endeavour will always be to provide world class facilities, to fulfill the need of the twenty first century in academics and research. We aim for creating leadership in technology, address the critical needs of industry and society so that we can facilitate the technical development of the nation as our contribution to society.

SMART CLASSROOMS | LABORATORIES | WORKSHOPS | LIBRARY | AUDITORIUMS

WI FI CAMPUS | E- LEARNING RESOURCES | VIRTUAL LAB | CAFETERIA

LIFE @ NHITM | TECHNICAL | SPORTS | CULTURAL | SOCIO

THE PEDAGOGY

Digital NHITM is a 24/7 cloud platform that allows educators in NHITM to create online classes whereby they store the course materials online; manage assignments, quizzes and exams; monitor due dates; grade results and provide students with feedback, all in one place.

It is an active platform, which provides a safe and easy way to connect and share content. Students enjoy the interaction, the digital assignments, contents given to students. When interacting with digital activities, students often don't perceive it as 'work.' Digital NHITM makes it possible to achieve higher student motivation and increased learning through online tools and class activities.

TRAINING & PLACEMENT PROGRAMS

OUR ESTEEMED RECRUITERS

Perfect College for Engineering in Thane

We are committed to the cause of imparting global standard education through resourceful faculty, innovative teaching-learning process, industry-institute nexus, and sound infrastructure.

'Innovation and Outcome based Education' has always been our mantra, with the vision and mission of providing quality engineering education in total sync with the industry and the trending technologies.
